Easy Dental Trojan Update
Traditional Plans Database Instructions

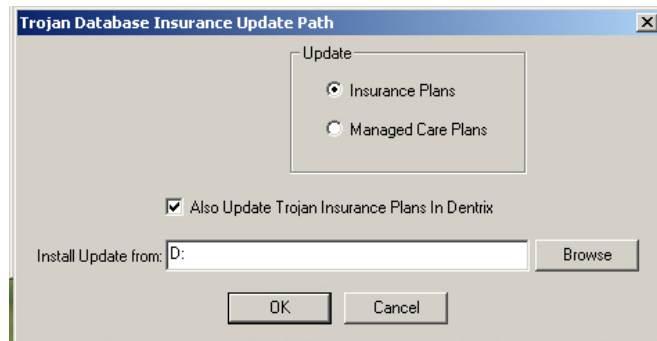

1. Open the **Easy Dental Trojan Update Utility** If you do not have an icon for this on your desktop, Click on **Start, Programs, Easy Dental Trojan Viewer 6.0, Easy Dental Trojan Update Utility**

You may have an icon like this already on your desktop.

2. Click on **Database Update**
3. *You will see a screen alerting you that the database will be modified, Simply click **<OK>**.*

4. Select the Insurance Plans and choose the location of the updates. In the **Install Update From:** box, Type **D:>** for your CD drive (your drive letter may vary), and click **<OK>**.

5. Easy Dental will now start to process the update.
6. Once the update is complete you will see a box that will say **DONE** Click **<OK>**
