

Easy Dental Trojan Database Update Managed Care Download Instructions

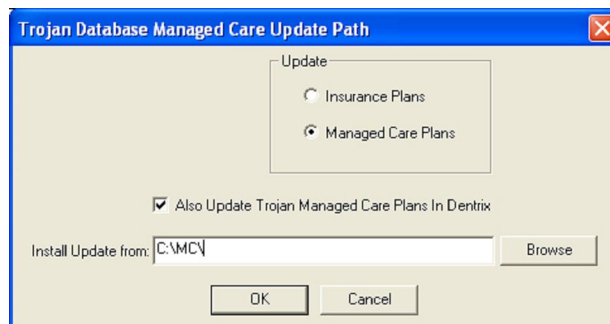

1. Double click the **Trojan Download Managed Care Update** icon located on your desktop. This will connect to Trojan and Start to transfer the requested update files.
2. Once the transfer has finished, click on the first option that appears on your screen.
"Click here to minimize this program"

1) Click here to minimize this program

3. Open the **Easy Dental Trojan Update Utility**. If you do not have an icon for this on your desktop, click on **Start, Programs, Easy Dental Trojan Viewer 6.0, Easy Dental Trojan Update Utility**.
4. Click on **Database Update**.
5. You will see a screen alerting you that the database will be modified, simply click **OK**
6. Select **Managed Care Plans**. You will also be prompted to choose the location of the updates. In the **Install Update From** field, type **C:\MC** and click **OK**

6. Easy Dental will now start to process the updates. **Do not stop the update.**
7. Once the update is complete, click the **OK** option in the **DONE** message.
8. Click on the Trojan Managed Care Downloader, which was minimized in step 2. Select option 2 **Click here only after you have processed the Trojan update!**
9. Confirm that you have processed the Trojan Update by clicking **YES**
