# TROJAN PROFESSIONAL SERVICES

Easy Dental Trojan Update
Managed Care Database Instructions

1. Open the **Easy Dental Trojan Update Utility** If you do not have an icon for this on your desktop, Click on **Start, Programs, Easy Dental Trojan Viewer 6.0, Easy Dental Trojan Update Utility**

   You may have an icon like this already on your desktop.

2. Click on **Database Update**

3. *You will see a screen alerting you that the database will be modified, Simply click <**OK**>.*

4. Select the Managed care plans and choose the location of the updates. In the **Install Update From:** box, Type **D:>** for your CD drive (your drive letter may vary)**, and click <OK>.**

5. Easy Dental will now start to process the update.

6. Once the update is complete you will see a box that will say **DONE** Click <**OK**>
